

RULES FOR PARTICIPATION ACTION 2018

Primoris ... for a better world

1. This regulation is applicable to the action "Primoris...for a better world", organised in 2018 and only applies to the 2018 edition.
2. Primoris Belgium donates in 2018 a total of € 30.000 to three charities, actions or projects. This sum is to be divided as follows:
 - € 10.000 to a project suggested by a customer of Primoris Belgium
 - € 10.000 to a project suggested by a customer of Primoris Belgium
 - € 10.000 to a project suggested by the employees of Primoris Belgium
3. Every acknowledged charity or action (see also 4) is eligible, but customers of Primoris cannot submit suggestions concerning proprietary projects, charities or actions.
4. All acknowledged charities, projects or actions, both nationally and internationally, may be suggested, provided they are listed on the following [website with acknowledged institutions](#) (link). When you are in doubt, contact us via communications.be@primoris-lab.com, so that we can check it for you.
5. The duration of this action, as well as the deadline for submitting suggestions, are mentioned on the website of Primoris Belgium and through the communication channels of Primoris Belgium.
6. After the deadline for submitting suggestions is met, Primoris Belgium will select two charities, projects or actions based on suggestions made by customers and one charity, project or action based on the suggestions made by employees. For this selection Primoris Belgium will take into account the motivation that was provided as to why this project deserves the support of Primoris Belgium. Furthermore, preference will go towards charities, actions and projects that are closely linked to the Primoris Mission: improved food safety, product quality and sustainability.
7. In order to submit a charity, action and project the following data must be provided. These data will only be used in the context of this action and will only be saved for the duration of this action:
 - Customer name and number
 - Contact information for the charity, action or project
 - Name
 - Telephone
 - Email address
 - Name acknowledged charity, action, project
 - Description charity, action, project
 - Motivation (why should this suggestion be selected)
8. Any contact with the three selected charities, projects or actions will be directly with Primoris Belgium. We will, however, mention the name of the customer who made the suggestion.

9. By submitting a suggestion, the submitter agrees with the rules of this action. Further, the [general conditions](#) and the [privacy policy](#) of Primoris are applicable.
